Series 3, Vol. 8, No. 8

August 1, 2007

Heyla, Misty fans!

I hope this finds you all well. The summer is flitting by far faster than I had hoped it would. (Perhaps that's because I keep having more work I hadn't planned on dumped in my virtual lap <g>.)

I'm looking for reviews of books, movies, cons and Ren. Faires (particularly of any events involving Misty and/or Larry). Send submissions to Legend@malcor.com. I'm also in need of art, when I get around to coding again.

Publication News:

Those with paperback preferences can anticipate the mass-market release of *Music to My Sorrow: Bedlam's Bard* (another collaboration with Rosemary Edghill) on August 28. October will be a good month for Misty fans: The paperback version of *Aerie*, Book 4 in Misty's Dragon Jousts series, is due out on October 2; a collaboration with James Mallory, *The Phoenix Unchained: Book One of the Enduring Flame* is scheduled for release on October 16; on October 30, look for *Reserved for the Cat*, the fifth book in the Elemental Masters series.

Next year, *Firebird* will be released in paperback January 8. And two of Misty's collaborations with Roberta Gellis will be available next year: The paperback version of *By Slanderous Tongues* and the brand-new hardback of *And Less Than Kind*.

Do remember that you can order your copy of *Harry Potter and the Deathly Hallows* through the Dragonlord's Bookstore at <http://www.dragonlordsnet.com>. A portion of all sales through this site

goes to QO. This is how we keep our memberships free, so we really appreciate your support!

I thought about doing a review of the new Harry Potter book for this issue of the newsletter, but I figured I'd give y'all a little more time to read it <g>. (Took me 12 hours!) So I'm including the review of Jasper Fforde's new book, *Thursday Next: First Among Sequels* instead.

Zhai'helleva,

Herald-Mage Adept Danya Winterborn

Jasper Fforde, *Thursday Next: First Among Sequels*. Viking, 2007. 379 pages. Review by Linda A. Malcor.

While I was with my eldest son at the Midnight Madness party for the new Harry Potter at Barnes and Noble, I searched through the packed Science Fiction/Fantasy section for Fforde's books to see if the new one was on the shelf yet. Curiously, I couldn't find any of his works. I knew Barnes and Noble had to have them somewhere, so I asked Customer Service for help. To my surprise, Fforde's books were shelved in the regular fiction section. So take note all of you who routinely check out the Science Fiction/Fantasy titles and by-pass regular fiction, do take a detour into mainstream fiction long enough to scan the "F" authors and find this man's books! They are an absolute "must read" for anyone who loves reading.

For those of you who are unfamiliar with Fforde's Thursday Next series, the books are set in an alternate reality where Shakespeare's *Henry V* is the equivalent of the *Rocky Horror Picture Show*, special literary agents can jump into books and literary characters can take vacations in the "real" world. Add the Chrono Guard (time travelers) into that, and I'm not sure why Barnes and Noble doesn't consider these books to be Science Fiction/Fantasy!

As far as the new book is concerned, if you are not current on the series, I strongly suggest that you back up and read the first four books (*The Eyre Affair*, *Lost in a Good Book*, *The Well of Lost Plots*, and *Something Rotten*) before tackling this one. You'll never notice what is out of whack in this variant of the universe—so you'll understand what it is that Thursday needs to figure out and fix to prevent Time from coming to an end—unless you know what the "real" world and the Book World are supposed to look like at the end of Thursday's first four adventures.

You'll also have a very rough time keeping track of the minor characters—or having a clue who they are—unless you have at least the first book under your proverbial belt. This is definitely a sequel, and it really does require knowledge from the previous books to be able to follow along.

That said, Fforde's endless agility when it comes to turning phrase upon phrase is as fantastic as ever. He definitely has a way with words that I am hard pressed to find in any other living author. How he keeps track of all the subplots is beyond me, but I have yet to catch him in a plot glitch—not a mean feat with all the time jumping that goes on. The characters are engaging, and I found myself laughing aloud several times. The book is a very quick read and well worth the time. There is more “bang for your buck” here than in any book I've picked up in a very long time. If you need a book to finish off your summer reading, this is an excellent one to pick up.

Local chapters:

- **Arrows OnLine:** Contact: Adept Grayfeather k'Varis (Kristi Reed). E-mail: DragonMamaK@aol.com. Arrows OnLine is the AOL chapter of QO. Chats will be held the first and third Wednesdays of each month from 8-10 PM ET. Topics will be posted prior to chat, hopefully as soon as a month in advance for book discussions. Although we have the scheduled chat, the Companion's Grove is open 24/7, and anyone can come in for informal chat. As far as instructions on how to get there . . . there are lots of hoops to jump through now. Go to the books community, find the message board link, then find the "Author A-

Z" message board, and find your way to the Mercedes Lackey boards from there. She's no longer a keyword, but hopefully with more traffic in the future that will change. If you don't want to jump through hoops, you can e-mail me directly, and I'll give you the links. The links to the chatroom will be on my "signature" on the boards.

Multi-zine orders, which can be shipped in a flat rate envelope (usually 3 of the smaller zines, or 2 of the larger zines), will be sent Priority Mail; larger orders will be sent Media Mail Insured, which is only slightly slower and doesn't have the zone rates (which wouldn't work with my shopping cart). Smaller orders will be sent First Class.

I take credit cards via PayPal, which is the cart's only payment option, but the cart can be used to calculate shipping, and checks/money orders mailed to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Except as noted, zines are printed on high-quality, bright white paper, comb bound, with cardstock covers. Story excerpts and cover art—as well as submission guidelines and PayPal ordering information—can be found at <http://www.greendragonpress.net/misty.htm>. To order via snail mail, send check or money order (payable to Devin Harris; US funds only) to Green Dragon Press, c/o Devin Harris, 4531 N. Kelishan St., Pahrump, NV 89060.

Note regarding *Shards of Autumn*: While this zine is officially out of print and no longer available on the website, a few copies are left over from convention appearances. Any remaining copies from MediaWest will be available at that con until they sell out; the others are being returned to me and will be auctioned off at <http://www.auctionfen.com> until they are gone. I also occasionally auction off zines which returned from cons a bit shopworn, so it's a good site to check periodically.

Collegium News:

We have individual handouts for aspiring Heralds, Healers, Bards, Blues, Mercenaries, Tayledras, Shin'a'in, and White Winds Sorcerers/Sorceresses and instructions on how to work for Herald-Mage status if you are already a Herald or for a Kal'enedral if you are already a Shin'a'in. You can find these handouts online at <http://www.dragonlordsnet.com/qohandouts.htm>.

You need a release form (online at <http://www.dragonlordsnet.com/qomlrel2.htm>) if you write a story set in Misty's worlds or using any of her characters. You do not need a release for a character sketch, poem or filk. All Misty wants to do is protect her characters and her worlds. Send the release form (you do NOT need to

include the story) to Misty c/o Paul Fisher, 16525 E 470 Rd., Claremore OK 74017. Do NOT include the release form with your persona material; send it to Misty. Send a *copy* to us.

All personae materials should be sent to the QO address or submitted by e-mail to Legend@malcor.com and healermoon@gmail.com. We have no new personae to announce at this time, but several submissions are being reviewed. (I apologize profusely to everyone who is patiently waiting for me to have enough time to review the submissions! I will get to them as soon as I can.)

If you were working on a persona who is no longer listed at <http://www.dragonlordsnet.com/qochat.htm> that means we have not heard from you in over a year. To revive your persona, simply message Danya at Legend@malcor.com and tell her that your persona is in "Deep Storage." She will pull it out for you and reactivate your submission.

If you are a returning member who has recently activated your membership in Queen's Own and we have forgotten to list your welcome message, contact Danya at Legend@malcor.com, and she'll make sure you are greeted in the next newsletter.

If you know any of these folks, please have them contact Danya at Legend@malcor.com with a current e-mail address.

From Herald-Mage Adept Danya Winterborn:

Heyla, folks!

My trip to Italy is looking fairly certain (They've purchased my airline tickets <g>). I'll be giving two lectures while I'm there, one on the Artorii and the other on Sarmatians and Caucasian Myth (I'm hoping to change the title of that last one to "legend" or "saga", since that's really more in line with what I'll be talking about.). I think the actual conference is on September 8th and 9th, though I'll be in and around Naples from the 6th through the 13th. I'm looking forward to it!

I leave for Tahoe in a couple of days with a two-night stop in San Francisco. I'd say I was looking forward to getting some rest, but my "vacations" generally involve me crawling around museums and archaeological sites when I'm not indulging my love of theater <g>. My mother will be going with us, so I'm hoping to get at least one or two "date nights" with my husband!

I'm trying to make a serious dent in the paperwork that's piled up on my desk, but I'm feeling a little like the Dursleys, trying to stop the influx of owls at the beginning of *Harry Potter and the Sorcerer's Stone!* I finished up five encyclopedia articles, four articles and two reviews only to have another review and requests for two more chapters in other people's books land in my in-box. Perhaps I'll have some down time in Italy (but I doubt it, remembering what it was like when they had me the last time!). I wish I didn't feel so motion sick when I try to write on airplanes. I have a four-hour lay over in Amsterdam, and I'm terrified that I'm going to fall asleep and miss my flight to Milan. Maybe I'll be awake enough to write!

I already have speaking engagements booked through January next year. I should have two new articles appearing online in the near future, and I've rather lost track of what else is actually coming out before the year's end (just like I had totally forgotten that I had negotiated a Russian translation of my book until I received the notice that it was being

released). I'm hoping to negotiate the Italian translation of the book while I'm in Naples. I really need to get back to work on the book on the Sword in the Stone that I'm writing with C. Scott Littleton, and I have to get at least one of the three books I'm working on about L. Artorius Castus in shape to send to a publisher in the near future. So, naturally, I'm up to my eyebrows in Girl Scouts, PTA, and fun stuff like Queen's Own <g>! I think I know what a Herald on Circuit feels like. . . <G>

Zhai'helleva,

Danya

Personals:

- ❖ **From Ellen Million:** *EMG-Zine.com* is in its seventeenth month as a fantastic resource for fantasy and science fiction writers and artists! Every month there are features on the business of art, tips and tutorials, an art gallery, fiction, and reviews related to the genre or creative pursuits. Some of our columnists include Ursula Vernon, Janet Chui, Annie Rodrigue and Marina Bonomi. If you are an artist or writer, please see our guidelines for submission information! Find it all at <http://www.emg-zine.com> and enjoy!
- ❖ **From Aurora Nelson:** Heyla! Rea Wildfire (aka Aurora Nelson) is looking to contact her penpals old and new. If you remember her or would like to say, "hi," please contact her at Evillurking@gmail.com.
- ❖ **From Cliff Hunter:** I'm looking for a penpal I used to know through QO. Her name is Dara Murphy. Anyone with information about how I can contact her, please e-mail me at DeathrockCliffy@aol.com.
- ❖ **From Jennifer M. Mackay-Galicia (Herald Mallea D'Lar):** I have a new email address: mackayjenn@yahoo.com! SNAIL MAIL: PO BOX 66408, Portland, OR 97290. If you like to read, I'm your girl. Just give me a book and a quiet nook--I'm happy! Misty, Tad Williams, J.R.R. Tolkien, Mindy Klasky (Glasswright series), DragonLance (the M. Weiss/T. Hickman original books and new), SF Classics like H.G. Wells, George Orwell, ect., ect. I'm about to sink my teeth into David Eddings on my sister's recommendations. I just finished watching SEVEN seasons of Buffy the Vampire Slayer. That was fun! I've gone through all NINE years of The X-

Files. I'm a huge X-Files fanatic. (Did I forget to mention my love affair with box sets on DVD?) I'm a fan of every Star Trek show made, Star Wars, Battlestar Galactica (got my box set), Babylon 5, Quantum Leap, and just about anything else that grabs my attention. If you wish you could take a trip to the moon, or just get out of Mundania for awhile, please feel free to drop me a line!

- ❖ **TO EVERYONE who enjoys Misty's world and the vast realm of fantasy in general . . .** ANGELA K. SCOTT CREATIONS is still around! You may remember my humble business from past QO (snail-mailed) newsletters. I sell fantasy & M. Lackey-related stationery and bookmarks; Heralds, Shin'a'in, faeries, unicorns, magic, and more! I now offer cards (in packs) with 22 fantasy & scifi designs to choose from, as well a special line of cat-angel cards I call my "Furry Angel Series". I do commissioned artwork as well- please contact me for further details. Gift Certificates are available as well! I am still relatively new to owning a computer & setting up a system (need a scanner!), so I do not have an online version of my 'business'. I'm working on having my merchandise booklet up on my homepage or some way to view merchandise & order info, etc. I know "snail-mail" is a foreign concept to some people, though I still enjoy communicating this way, BUT if you'd like to receive my 6+ page merchandise booklet please contact me: Angela K. Scott-Gosnell, 217 Spear Drive, Fort Bragg, NC 28307. ***PLEASE enclose SASE**, which is a stamped envelope with your address on it. I will get the requested booklet mailed back to you ASAP! Thanks to all of my past and current customers, and hope to hear from you!

- ❖ **From White Winds Sorceress Cime Shadow Weaver. To All.** Shadows of Goddess is now an online store. I offer a free pouch with every purchase to Queen's Own members. Be sure to tell me you are though. :) I offer new items weekly. The URL is <http://www.ebaystores.com/shadowsofthegoddess>. My e-mail address is cimeshadow@aol.com.

- ❖ **From Herald-Mage Danya. To: All. Re: Cookbook.** Our version of a Misty-related cookbook is still in progress. We are compiling a cookbook based on meals that Misty describes in the Velgarth series. If anyone is currently reading the books, could you note the book and page any food items are mentioned on and send them to me at Legend@malcor.com? (We've been pulling some information from *The Valdemar Companion*, and we're getting quite a nice little list!) Thanks!
